**AMEND Senate Bill No. 614**

**House Bill No. 148\***

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 47-18-104, is amended by adding the following new appropriately numbered subdivision to subsection (b):

(b) The act or practice of directly or indirectly making representations:

(1) That a person will pay or reimburse for a motor vehicle traffic citation for any person who purchases a device or mechanism, passive or active, that can detect or interfere with a radar, laser or other device used to measure the speed of motor vehicles, or

(2) Advertising, promoting, selling or offering for sale any radar jamming device which includes any active or passive device, instrument, mechanism, or equipment that interferes with, disrupts, or scrambles the radar or laser that is used by law enforcement agencies and officers to measure the speed of motor vehicles; or

(3) Advertising, promoting, selling or offering for sale any good or service that is illegal or unlawful to sell in the State of Tennessee.

SECTION 2. This act shall take effect upon becoming law, the public welfare requiring it.
